Chief Happyjack:

The Environmental and Social Impact Review Committee (Review Committee or COMEX) has taken note of your correspondence dated November 25, 2015 requesting to postpone the public hearing of the project mentioned above which was scheduled on December 8, 2015.

We inform you that we agree to your request that the public hearing session will take place in January 2016. Furthermore, we wish to inform you that the answers to the questions we had sent October 5th, 2015 regarding the draft presented by Matériaux Blanchet inc. are now available at the following address: http://comexqc.ca/en/fiches-de-projet/construction-chemins-dacces-forestiers-h-section-ouest-i/

Sincerely your,
