**1) Forest road projects**

- *for discussion*

WHEREAS Eacom Timber Corporation has withdrawn its projects to build forest access roads “J” (3214-05-076) and “H - East segment” (3214-05-073).

WHEREAS Barrette-Chapais ltée submitted projects to build forest access roads “L209 North” and “E West” (respectively 3214-05-072 and 3214-05-074) and Matériaux Blanchet Inc. submitted a project to build forest access roads “H - Section West” and “I” (3214-05-075, the Provincial Administrator asked COMEX to resume reviewing the projects.

CONSEQUENTLY, the COMEX members decided:

*#2015-0916-01: to give priority to the review of planned forest access roads “H - Section West” and “I” (Matériaux Blanchet Inc.). Accordingly, COMEX will hold public consultations in November, in the Cree community of Waswanipi, on the project as submitted by the proponent. The consultations may be followed by some private meetings with experts from certain target sectors.*
