- MATÉRIAUX BLANCHET INC., *Étude d'impact sur l'environnement et le milieu social*, March 2010, 177 pages;

- MATÉRIAUX BLANCHET INC., *Answers to questions and comments – Environmental and Social Impact Assessment*, November 2015, 89 pages;
- MATÉRIAUX BLANCHET INC., *Appendix 8 – Answers to questions and comments*, November 2015, 212 pages.

WHEREAS the following documents were prepared:

- MDDELCC, *Directive pour le projet de construction du chemin forestier « I » et du chemin forestier « H section Ouest »*, Direction de l'évaluation environnementale, October 2009, 13 pages;
- COMEX, *Questions supplémentaires du COMEX*, October 2015, 12 pages.

CONSEQUENTLY, the COMEX members decided:

*#2015-1209-01: to write to the Provincial Administrator to inform her that the information provided by Matériaux Blanchet Inc. enables COMEX to hold a public hearing in the Cree community of Waswanipi on January 19, 2016. Furthermore, COMEX notes that the Québec government has not yet adopted the woodland caribou recovery plan. Consequently, the content of that plan could make a difference to COMEX's assessment of this road project.*

**Action: Write to the Provincial Administrator**

**4) DATE AND PLACE OF THE NEXT MEETING**
