

COMEX'S DECISIONS REGISTER

2024-2025

	Decision Number	Meeting	Project	Reference Number	Documents	Décision*	Type of decision
1	2023-0424-01	424	Eastmain-1-A hydroelectric and Rupert River diversion project	3214-10-017	Monitoring of the KP 170 multispecies spawning ground on the Rupert River - 2021 Monitoring Report (for information)	<i>... write to the Provincial Administrator to inform him that the COMEX members reviewed the documents submitted by the proponent and have no comments on this subject.</i>	Transmission of correspondance to Provincial Administrator
2	2023-0424-02	424	Eastmain-1-A hydroelectric and Rupert River diversion project	3214-10-017	Monitoring Fish Communities and Population Dynamics in the Rupert River - 2021 Monitoring Report (for information)	<i>... write to the Provincial Administrator to inform him that the COMEX members reviewed the documents submitted by the proponent and have no comments on this subject.</i>	Transmission of correspondance to Provincial Administrator
3	2023-0424-03	424	Eastmain-1-A hydroelectric and Rupert River diversion project	3214-10-017	Monitoring the integrity and use of natural and created lake sturgeon spawning grounds - 2021 Monitoring Report (for information)	<i>... to write to the Provincial Administrator informing him that the COMEX members have read the document submitted by the proponent and would like to obtain additional information on the proponent's intentions concerning the monitoring of the use of the spawning grounds developed at KP 333 of the Rupert River and at KP 30.5 of the Misticawissich River for lake sturgeon.</i>	Transmission of a request for additional information
4	2023-0424-04	424	Eastmain-1-A hydroelectric and Rupert River diversion project	3214-10-017	Monitoring fish communities and population dynamics in the Rupert diversion bays - 2021 Monitoring Report (for information)	<i>... write to the Provincial Administrator to inform him that the COMEX members reviewed the documents submitted by the proponent and have no comments.</i>	Transmission of correspondance to Provincial Administrator
5	2023-0424-05	424	Eastmain-1-A hydroelectric and Rupert River diversion project	3214-10-017	Monitoring the integrity and use of natural and created lake trout spawning grounds - 2020 Monitoring Report (for information)	<i>... write to the Provincial Administrator informing him that the COMEX members have read the document submitted by the proponent and wish to obtain additional information on the proponent's intentions regarding the monitoring of the use of spawning grounds created for lake trout.</i>	Transmission of a request for additional information
6	2023-0424-06	424	Eastmain-1-A hydroelectric and Rupert River diversion project	3214-10-017	Birds of Prey Monitoring - 2021 Monitoring Report (for information)	<i>... to write to the Provincial Administrator informing him that the COMEX members have read the document submitted by the proponent and wish to obtain additional information on the proponent's intentions concerning the monitoring of the osprey population and the installation of nesting supports.</i>	Transmission of a request for additional information
7	2023-0424-07	424	Eastmain-1-A hydroelectric and Rupert River diversion project	3214-10-017	Forest bird Monitoring - 2017 and 2021 Monitoring Reports (for information)	<i>... write to the Provincial Administrator to inform him that the COMEX members reviewed the documents submitted by the proponent and have no comments.</i>	Transmission of correspondance to Provincial Administrator

8	2023-0521-01	425	James Bay Lithium Mine Project	3214-14-055	Follow-up and Conditions Monitoring - Condition 13 : Compensation plan for wetlands and waterbodies; Condition 14 : Compensation plan for fish habitat (for recommendation)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the documents submitted by the proponent and wish to obtain additional information on various aspects of the monitoring projects that they think should be clarified.</i>	Transmission of a request for additional information
9	2023-0627-01	426	James Bay Lithium Mine Project	3214-14-055	Follow-up and Conditions Monitoring - Condition 23 : Transportation management plan for the construction phase (for information)	<i>... to write to the Provincial Administrator informing him that COMEX members have reviewed the documents submitted by the proponent and would like additional information on various aspects of the monitoring projects that they feel should be clarified.</i>	Transmission of a request for additional information
10	2023-0627-02	426	James Bay Lithium Mine Project	3214-14-055	Follow-up and Conditions Monitoring - Condition 31 : Archaeological resource protection plan; Condition 33 : Glossary of Cree place names (for information)	<i>... write to the Provincial Administrator to inform him that COMEX members reviewed the documents submitted by the proponent and have no comments on this subject.</i>	Transmission of correspondence to Provincial Administrator
11	2023-0627-03	426	James Bay Lithium Mine Project	3214-14-055	Follow-up and Conditions Monitoring - Condition 34 : Cree culture awareness program (for information)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the documents submitted by the proponent and would like additional information on various aspects of the follow-up projects that they feel should be clarified.</i>	Transmission of a request for additional information
12	2023-0627-04	426	Rose Lithium-Tantalum Project	3214-14-053	AMENDCA : Addition of borrow pits and camp (additional information); for recommendation) Conditions Monitoring - Condition 7 : Waste management (additional information; for information)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the documents forwarded by the proponent and recommend authorizing, with conditions, the amendment to the global certificate of authorization issued on October 31, 2022 for the addition of borrow pits and the camp project.</i>	Transmission of a recommendation
13	2023-0627-05	426	Eastmain-1-A hydroelectric and Rupert River diversion project	3214-10-017	Monitoring of hydrology, hydraulics and heat balance in continental environments - 2019 Monitoring Reports (for information)	<i>... write to the Provincial Administrator to inform him that COMEX members reviewed the documents submitted by the proponent and have no comments on this subject.</i>	Transmission of correspondence to Provincial Administrator
14	2023-0627-06	426	Eastmain-1-A hydroelectric and Rupert River diversion project	3214-10-017	Monitoring riparian and aquatic vegetation on the Rupert River - 2022 Monitoring Reports (for information)	<i>... write to the Provincial Administrator to inform him that COMEX members reviewed the documents submitted by the proponent and have no comments on this subject.</i>	Transmission of correspondence to Provincial Administrator

15	2024-0813-01	427	Whabouchi mining project	3214-14-052	AMENDCA : Construction of a permanent camp, viaduct, bypass and widening of the Route du Nord (for recommendation)	<i>... to write to the Provincial Administrator informing them that the members of the COMEX have reviewed the documents transmitted by the proponent and that they recommend authorizing, with conditions, the amendment to the September 8, 2015 global certificate of authorization issued for the Whabouchi mining project.</i>	Transmission of a recommendation
16	2024-0813-02	427	Whabouchi mining project	3214-14-052	AMENDCA : Optimizing mining operations (for recommendation)	<i>... write to the Provincial Administrator informing them that COMEX members have reviewed the documents submitted by the proponent and wish to obtain additional information on various aspects of the monitoring projects that they think should be clarified.</i>	Transmission of a request for additional information
17	2024-0813-03	427	Dewatering of pits J4 and 87 on the former Troilus mine site, Troilus Gold Corp.	3214-14-025	Environmental and social monitoring programme (for information)	<i>...to send correspondence to the Provincial Administrator informing them that the COMEX members have reviewed the documents submitted by the proponent and recommend that the proponent be informed that it must add annual monitoring of thiosalts and weekly monitoring of total cyanides to the effluent to comply with condition 1 of the certificate of authorization.</i>	Transmission of a recommendation
18	2024-0924-01	428	New landfill development project in the Nemaska area by the Cree Nation of Nemaska	3214-16-079	Environmental and social impact assessment (for recommendation)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the documents submitted by the proponent and would like to obtain additional information on various aspects of the project that they feel should be clarified.</i>	Transmission of a request for additional information
19	2024-0924-02	428	James Bay Lithium Mine Project by Galaxy Lithium (Canada) Inc	3214-14-055	Condition 4 -Environmental and social monitoring program (for recommendation)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the document submitted by the proponent and would like additional information on various aspects of the monitoring projects that they feel should be clarified.</i>	Transmission of a request for additional information
20	2024-0924-03	428	James Bay Lithium Mine Project by Galaxy Lithium (Canada) Inc	3214-14-055	Condition 8 - Membrane watertightness monitoring program for haulage roads (for recommendation)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the document submitted by the proponent and would like additional information on various aspects of the monitoring projects that they feel should be clarified.</i>	Transmission of a request for additional information

21	2024-0924-04	428	James Bay Lithium Mine Project by Galaxy Lithium (Canada) Inc	3214-14-055	Condition 24 - Transportation management plan for the operation phase (for recommendation)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the document submitted by the proponent and would like additional information on various aspects of the monitoring projects that they feel should be clarified.</i>	Transmission of a request for additional information
22	2024-0924-05	428	James Bay Lithium Mine Project by Galaxy Lithium (Canada) Inc	3214-14-055	Conditions 26 and 27- Agreements with road maintenance managers and Increased road traffic and social and environmental nuisances monitoring program (for information and recommendation)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the documents submitted by the proponent and recommend that the increased road traffic and social and environmental nuisances monitoring program (condition 27) be authorized. They have no comments to make concerning the agreement between GLCI and the SDBJ on the maintenance of the Billy-Diamond Highway (condition 26).</i>	Transmission of a recommendation
23	2024-0924-06	428	James Bay Lithium Mine Project by Galaxy Lithium (Canada) Inc	3214-14-055	Condition 37 - Emergency measures plan (for information)	<i>... write to the Provincial Administrator to inform him that COMEX members have reviewed the document sent by the proponent and request that the proponent be informed that the missing information must be added to the emergency measures plan.</i>	Submit a comment
24	2024-1022-01	429	New trench landfill project in Wemindji by the Cree Nation of Wemindji	3219-16-002	Request to amend the certificat of authorization (request and additional information) (for recommendation)	<i>...write to the Regional Administrator informing him that COMEX members have reviewed the documents submitted by the proponent and would like to obtain additional information on various aspects of the project that they feel should be clarified.</i>	Transmission of a request for additional information
25	2024-1022-02	429	Éléonore mining project, Goldcorp Canada Ltd.	3214-14-042	Request to amend the certificat of authorization - Expansion of drinking water sources (for recommendation)	<i>...write to the Provincial Administrator informing him that COMEX members recommend that he authorize the requested amendment to the certificate of authorization.</i>	Transmission of a recommendation
26	2024-1022-03	429	Éléonore mining project, Goldcorp Canada Ltd.	3214-14-042	Request to amend the certificat of authorization - Expansion of the tailings site (request and additional information) (for recommendation)	<i>...write to the Provincial Administrator informing him that COMEX members have reviewed the documents submitted by the proponent and would like to obtain additional information on various aspects of the project that they feel should be clarified.</i>	Transmission of a request for additional information
27	2024-1127-01	430	Rose Lithium-Tantalum Mining Project, Critical Elements Lithium Corporation	3214-14-053	Conditions 4 et 21 -Environmental and social monitoring program; Transportation impact monitoring program for the road network and environmental and social environment (for recommendation)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the documents submitted by the proponent and wish to obtain additional information on various aspects of the project that they feel should be clarified.</i>	Transmission of a request for additional information

28	2024-1127-02	430	Rose Lithium-Tantalum Mining Project, Critical Elements Lithium Corporation	3214-14-053	Monitoring of conditions - Compensation plan for wetlands and waterbodies; Compensation plan for the loss of fish habitat (for recommendation)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the documents submitted by the proponent and wish to obtain additional information on various aspects of the project that they feel should be clarified.</i>	Transmission of a request for additional information
29	2024-1127-03	430	James Bay Lithium mine project, Galaxy Lithium	3214-14-055	Condition 7 - Contact water management plan (for recommendation)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the documents submitted by the proponent and wish to obtain additional information on various aspects of the project that they feel should be clarified.</i>	Transmission of a request for additional information
30	2024-1127-04	430	James Bay Lithium mine project, Galaxy Lithium	3214-14-055	Condition 10 - Water treatment plant (for information)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the documents submitted by the proponent and consider that the information submitted is not in compliance with condition 10. COMEX would like to obtain additional information on various aspects of the project that it feels should be clarified.</i>	Transmission of a request for additional information
31	2024-1127-05	430	Municipal landfill project in Waswanipi, Cree First Nation of Waswanipi	3214-16-068	Monitoring conditions - Restauration plan (three series of questions and comments) (for recommendation)	<i>write to the Regional Administrator informing him that COMEX members have reviewed the documents submitted by the proponent and recommend that the restoration and monitoring plan for the former landfill near the community of Waswanipi be authorized.</i>	Transmission of a recommendation
32	2025-0122-01	431	Great Whale River wind farm project in Whapmagoostui-Kuujuaraapik par KWREC	3219-10-001	Monitoring of conditions of the certificat of authorization (for information and recommendation)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the documents submitted by the proponent. The members consider that conditions 1, 4, 6, 7, 15 and 22 of the certificate of authorization issued on June 3, 2022 have been met by the proponent. COMEX members recommend authorizing the Ambient Noise Monitoring Program and the Bird and Bat Mortality Monitoring Program during the operations phase.</i>	Transmission of a recommendation (Conditions 3 and 8)
33	2025-0122-02	431	Eastmain-1-A hydroelectric and Rupert River diversion project	3214-10-017	Monitoring recreational and toursit activities - 2015 Study report (for information)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the document submitted by the proponent and have no comments.</i>	Transmission of correspondance to Provincial Administrator

34	2025-0122-03	431	Eastmain-1-A hydroelectric and Rupert River diversion project	3214-10-017	Monitoring mercury levels in fish flesh - 2021 Study report (for information)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the documents submitted by the proponent. COMEX members have no comments for the time being and are awaiting the next monitoring report.</i>	Transmission of correspondence to Provincial Administrator
35	2025-0122-04	431	James Bay Lithium mine project, Galaxy Lithium	3214-14-055	Condition 3 - Commitment monitoring table (for information)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the documents submitted by the proponent and wish to obtain additional information on various aspects of the project that they think should be clarified.</i>	Transmission of a request for additional information
36	2025-0219-01	432	Restoration of the Mine Principale in Chibougamau, MRNF	3214-14-058	Monitoring of condition 2 of the amendment of 21 October 2020 of the certificate of authorization of 22 August 2014 (for information)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the documents submitted by the proponent. COMEX considers that the proponent has met the requirements of condition 2 of the October 21, 2020 amendment to the August 22, 2014 certificate of authorization for the Mine Principale restoration project.</i>	Transmission of correspondence to Provincial Administrator
37	2025-0219-02	432	Eastmain-1-A hydroelectric and Rupert River diversion project	3214-10-017	Economic impact monitoring - 2017-2021 Study report (for information)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the document submitted by the proponent and consider that the economic impact monitoring can be concluded.</i>	Transmission of correspondence to Provincial Administrator
38	2025-0219-03	432	Eastmain-1-A hydroelectric and Rupert River diversion project	3214-10-018	Waterfowl monitoring - 2023 Study report (for information)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the document submitted by the proponent and confirm that they have no objection to the monitoring not being pursued for the reasons provided by Hydro-Québec in its letter of February 28, 2024.</i>	Transmission of correspondence to Provincial Administrator
39	2025-0219-04	432	New trench landfill project in Wemindji, Cree Nation of Wemindji	3219-16-002	Request to amend the certificate of authorization (request and additional information) (for recommendation)	<i>... write to the Regional Administrator informing him that COMEX members recommend authorizing, with conditions, the request to amend the certificate of authorization.</i>	Transmission of a recommendation
40	2025-0318-01	433	Extension of Route 167 North to the Otish Mountains, MTMD	3214-05-077	Monitoring of condition 24 of the certificate of authorization issued on December 1st, 2011 : Caribou monitoring (for recommendation)	<i>... write to the Provincial Administrator informing him that COMEX members have read the documents prepared by the proponent and consider that the requirements of condition 24 of the certificate of authorization issued on December 1, 2011, for the extension of Route 167 North to the Otish Mountains have been met.</i>	Transmission of correspondence to Provincial Administrator

41	2025-0318-02	433	Rose Lithium-Tantale mining project, CELC	3214-14-053	Monitoring of condition 5 - Updated report on the physicochemical characterization of the initial soil sate (for information)	<i>... write to the Provincial Administrator informing him that the members of COMEX have read the report on the physicochemical characterization of the initial soil state submitted by the proponent and consider that the requirements of condition 5 of the certificate of authorization issued on October 31, 2022, for the Rose Lithium Tantalum Mining Project have been met.</i>	Transmission of correspondance to Provincial Administrator
42	2024-0318-03	433	Éléonore Mining project, Dhillmar Éléonore	3214-14-042	Request to amend the certificat of authorization - Expansion of the tailings site (request and additional information - 2 series of questions and comments) (for recommendation)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the documents submitted by the proponent and would like to obtain additional information on various aspects of the project that should be clarified (document with questions and comments attached).</i>	Transmission of a request for additional information
43	2024-0318-04	433	Windfall Mining project, Groupe minier Windfall	3214-14-059	Environmental and social impact assessment study (Addendum and additional information) (for recommendation)	<i>... write to the Provincial Administrator informing him that COMEX members have reviewed the documents submitted by the proponent and are requesting additional information on various aspects of the project that they feel should be clarified (document with questions and comments attached).</i>	Transmission of a request for additional information
